

## **Parenting with Identity In Mind Wednesday, May 12, 7-8:30pm**

Zoom Meeting ID: 964 1137 5972; Zoom Passcode: 813147  
A parent education program presented by the IDEA Committee

How do we learn about our various group identities centered around race, ethnicity, gender, sexual orientation, class, etc.? Why do some people develop proud and healthy self identity and others experience own-group shame and hatred? Learn how we can, in age appropriate ways, instill positive self identity in our children and coach them to be positive influences on others' identities. Together, we can co-create inclusive communities that work toward success for all.
